SUGGESTED PROGRAMS OF STUDY

The University of Nebraska High School offers a wide range of courses, providing students options to meet their individual goals as they work towards UNHS graduation requirements. Students may choose a path that prepares them for vocational or technical school, the military or other non-college avenues. Others may choose to prepare for college. Diploma students should work with UNHS academic advisers to design the appropriate program of study for their needs. Following on the next page are two sample programs, both of which lead to UNHS' accredited diploma.

RECOMMENDED COLLEGE PREPARATORY DIPLOMA SEQUENCE

Students wishing to continue their education at a college or university should consider enrolling in courses listed within UNHS’ college preparatory program of study. While colleges and universities may have different requirements, UNHS courses should meet these requirements. It is the student’s responsibility to visit with an admissions officer at their college or university of choice to be sure of what courses are needed to fulfill admission requirements.
