Note: Students planning to continue their education at a college or university in the United States are strongly encouraged to choose "Option 1" for the Language Arts requirement. Most colleges and universities require students to have 4 years (8 courses) of English (ENGH) for admittance. Please contact an academic adviser for further information and questions.

Suggested Programs of Study

The University of Nebraska High School offers a wide range of courses, providing students options to meet their individual goals as they work towards UNHS graduation requirements. Students may choose a path that prepares them for vocational or technical school, the military or other non-college avenues. Others may choose to prepare for college. Diploma students should work with UNHS academic advisers to design the appropriate program of study for their needs. The following pages contain two sample programs, both of which lead to a UNHS accredited diploma.

Graduation Requirements

College Preparatory Sample Program

Students wishing to continue their education at a college or university should consider enrolling in courses listed within the UNHS college preparatory program of study. While colleges and universities may have different requirements, UNHS courses should meet these requirements. It is the student's responsibility to visit with an admissions officer at their college or university of choice to be sure of what courses are needed to fulfill admission requirements.
