

Second Year French

FREH002060

Credits: 1 unit / 10 hours | NCAA Approved

Course Description

This course reinforces and augments the grammatical concepts presented in First Year French. Students build new vocabulary, learn more advanced grammar concepts, increase their reading writing, and listening skills, and develop their knowledge of many essential parts of speech including the past tense and direct object pronouns and a number of commonly used French idioms and expressions.

SPECIAL REQUIREMENT: If students are to succeed, it is important that they be enrolled at the appropriate level. Therefore, students who have not been enrolled in our program and who want to enroll in French at this level are encouraged to take a placement test. To request a placement examination, contact customer service.

Graded Assessments: 5 Unit Evaluations, 3 Projects, 3 Proctored Progress Tests

Course Objectives

By the time you have completed this course, you will have mastered certain skills and acquired certain types of understanding.

1. You will be able to recognize and use common French vocabulary in various grammatical structures.
2. You will be able to use the present, imperative, and future tenses of French verbs; and you will also learn the participe passé, passé récent, futur proche, and the passé composé.
3. You will improve your ability to write complete sentences in French using the language tools you have learned.
4. You will be able to read and write simple stories and dialogues in French.
5. You will continue to develop your listening and speaking skills.
