

Second Year Spanish

SPNH002060

Credits: 1 unit / 10 hours | NCAA Approved

Course Description

Students increase their vocabulary, their understanding of grammatical constructions, and their ability to read and write Spanish during this second year course through discussions of such diverse topics as entertainment, food, geography, and travel. Audio files and interactive activities help students study stem-changing and irregular verbs, possessive adjectives, comparison of adjectives, and the preterite tense.

SPECIAL REQUIREMENT: If students are to succeed, it is important that they be enrolled at the appropriate level. Therefore, students who have not been enrolled in our program and who want to enroll in Spanish at this level are encouraged to take a placement test. To request a placement examination, contact customer service.

Graded Assessments: 5 Unit Evaluations, 3 Projects, 3 Proctored Progress Tests, 9 Teacher Connects

Course Objectives

When you have completed the materials in this course, you should be able to:

1. Write sentences in Spanish using regular, irregular, and stem-changing verbs in the present and preterite tenses.
2. Relate the times when the present and preterite tenses should be used in Spanish sentences.
3. Understand and appreciate the culture and customs of different peoples of the Hispanic world and realize the influence of Spanish culture on your world.
4. Write several paragraphs in Spanish relating to material covered in this course.
