

## Third Year Spanish

SPNH003059

Credits: 1 unit / 10 hours | NCAA Approved

### Course Description

A thorough review of regular, irregular, and stem-changing verbs in the present and preterite tenses in this course leads smoothly and naturally into a study of reflexive verbs and the imperfect, present progressive and present perfect tenses. Students expand their ability to write complex sentences using reflexive verbs, direct objects, and indirect object pronouns. Third Year Spanish students will increase their ability to read, write, and also speak and understand Spanish using an audio CD recorded by native speakers. They will increase their knowledge of Hispanic culture as they read and hear about special occasions, holidays, and practices observed by Spanish-speaking people.

**SPECIAL REQUIREMENT:** If students are to succeed, it is important that they be enrolled at the appropriate level. Therefore, students who have not been enrolled in our program and who want to enroll in Third Year Spanish are encouraged to take a placement test. To request a placement examination, contact customer service.
